

SIP TO SUPPORT

# THE SARCOMA ALLIANCE

Every year, 17,000 people in the U.S. are diagnosed with sarcoma—the rare 1% of all cancers. At just six weeks old, Emma Pajak became one of these people. After one year and more medical procedures than many have in a lifetime, Emma is now a Ewing's sarcoma survivor. Grateful for all of the support they received throughout their journey facing sarcoma, Emma's family is now on a mission to change the world one bottle at a time.

**With each bottle of ONEHOPE wine you sip, you'll help families like Emma's and ensure that nobody faces sarcoma alone.**

**When you scan the barcode to fill your rack, 10% of your purchase—plus a match from the Pajak family—will go to the Sarcoma Alliance.** The Sarcoma Alliance is a nonprofit organization that provides people facing sarcoma with connection, information, and support as they navigate their journey.
